

Announcement

Cross-border card acquiring fees

Slovakia

Publication date of the announcement: **06.08.2026**

Effective date of the announcement: **05.10.2026**

(Changes in the text are shown in italics and grey.)

I. PRELIMINARY PROVISIONS

- (1) The implementation of this Announcement was made necessary by Regulation (EU) 2015/751 of the European Union, under which the Bank is required to apply and charge to the Acceptor individually specified commissions in respect of the various payment card categories and brands — if the interchange fee rate differs — unless the Acceptor requests the Bank in writing that it should charge a uniform fee.
- (2) In the Agreement concluded with the Acceptor, the Bank is required to provide specific information on the interchange fees, scheme fees and merchant service charges applicable to each category and brand of payment cards.
- (3) A deviation from this shall only be permitted if the Acceptor expressly requests, by signing the Declaration incorporated into the Contract, that the Bank apply consolidated pricing.
- (4) In the absence of a declaration, the Bank shall apply cost-based pricing. In this case, the commission paid by the Acceptor is the sum of the interchange fee, the scheme fee and the merchant service charge charged for the specific transaction.
- (5) The prevailing current value of the interchange fees determined by the card companies are published on their respective websites.
 - a) <https://www.mastercard.com/europe/en/regulatory/european-interchange.html>
 - b) <https://www.visaeurope.com/about-us/interchange-fees/>
 - c) Not applicable to cards issued by OTP Bank, except for tokenised cards within the meaning of paragraph 8¹
- (6) In the case of VISA, all cards issued in Europe shall be deemed 'European'.
- (7) In the case of Mastercard, all cards issued in a SEPA country shall be deemed 'European'. Cards issued outside the SEPA area but inside the European region shall be deemed cards issued 'outside Europe'.
- (8) Transactions made with tokenized cards issued by OTP Bank are considered European transactions.

¹ Tokenized card: During transactions made with tokenized or digitalized bank cards, the physical card data is replaced by a unique token, ensuring that sensitive data is not directly transmitted or stored during the transaction. Mobile wallet services provide secure contactless payments, cash withdrawals, and online purchases using the tokenized card, based on strong customer authentication.

- (9) The rate of the merchant service charge is specified in the Card Acceptance Contracts (Individual Contract).
- (10) The rates of the **scheme fees** defined and charged by the card companies for the acceptance of the various card types **are published by the Bank in this Announcement, which is incorporated into the Contract.**
- (11) Upon any change in the scheme fees favourable to the Acceptor and passed on by the Bank to the Acceptor, the new scheme fees will enter into effect on the 15th day following the publication of this Announcement's modification.
- (12) Upon any change in the scheme fees unfavourable to the Acceptor and passed on by the Bank to the Acceptor, the new scheme fees will enter into effect on the 60th day following the publication of this Announcement's modification.

II. GENERAL PROVISIONS

(13) The scheme fees charged in accordance with Section I (9) of this Announcement in the event of **euro-based settlement (POS)** are included in the table below.

BINF	Card Type	Transaction amount less than or equal to 10 EUR		Transaction amount above 10 EUR
