### OTP Banka Srbija - Bank of the year 2022 in Serbia

OTP banka Srbija has won The Banker's "Bank of the year in Serbia" award. Prestigious recognition from The Banker magazine acknowledges that following a successful merger of Vojvodjanska banka and OTP Bank Srbija in May 2021, OTP Banka Srbija became one of the leading banks in the country. The combined bank is now the largest in the country in terms of market share of loans and the second-largest in terms of assets.

The bank adopted an environmental, social and corporate governance strategy, with defined targets, key performance indicators, expectations and organisational structure in June 2022.

Over the next five years, the bank's digital transformation focus will be the development of differentiated digital services, with a focus on digital online products for both retail clients and legal entities.
