More information:

¹ Contractual scheme under which your deposit is protected

[Only where applicable:] Your deposit is covered by a statutory deposit guarantee scheme. In addition, your credit institution is part of an institutional protection scheme in which all members mutually support each other in order to avoid insolvency. If insolvency of your credit institution should occur, your deposits would be repaid up to EUR 100,000.

² Limit of protection

If a deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by a deposit guarantee scheme. This repayment covers at maximum EUR 100,000 per credit institution. The amount of compensation shall be translated to forints by the official MNB exchange rate in effect on the day preceding the day of the opening of compensation. All deposits at the same credit institution are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with EUR 90,000 and a payment account with EUR 20,000, he or she will only be repaid EUR 100,000.

³ Limit of protection in the case of joint accounts

In case of joint accounts, the limit of EUR 100,000 applies to each depositor.

Deposits in an account to which two or more persons are entitled as members of an unincorporated business association, association or grouping of a similar nature, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of EUR 100,000.

In some cases deposits are protected above EUR 100,000 for three months. Further information can be obtained under: www.oba.hu.
